

## FITTING INSTRUCTIONS FOR R&G LICENCE PLATE HANGER

### KTM 990 SUPER DUKE (part code LP0043BK)

- Remove the seat unit
- Undo the six bolts that hold the licence plate to the bike, these are undone from underneath the tail unit.
- Lower OEM licence plate holder and cut the wire connections leaving about 125mm (5inches) of wire on the OEM plug. Carefully pull the wires out from the under tray.
- Loosely fit the larger part of the R&G tail tidy using the front two holes and two of the bolts that you removed earlier.
- Offer the tail light/indicator unit up to the bike and pass the wires back up through the hole in the under tray, then pass one of the OEM bolts through one of the rear holes in the larger part of the tail tidy then through the corresponding hole in the light/indicator unit and start into the bike then repeat for the other rear hole and the fit the other two bolts into the middle two holes, then tighten all of the bolts
- Reconnect the wires to the bike.
- Number plate light: - white to red/black to brown (earth)
- Indicators to resisters: - green to blue/black to black
- Resisters to bike: - black to blue RHS / purple to blue LHS /both black to brown
- Refit the seat

#### CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be
