LIMITED WARRANTY

Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
 - The product must be properly installed, maintained and operated under normal conditions.
 - Kuryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
 - Kuryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn and a customer.
- Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
- Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. L.E.D.'S contained in components of Kuryakyn products will be warranted for defects in materials and workmanship for 3 years from the date of purchase where as all other components shall be warranted for one(1) year. This includes, but is not limited to; control modules, wiring, chrome & other components.

• Kuryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Kuryakyn. Kuryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

STEP 2 Remove passenger floor board from the right side of the bike. Set the stock hardware aside, it WILL NOT be reused.

STEP 3 Take the right side (there is a R marked in the back of the Right Side Mount) Cruise Peg Mount and line up the mount over the two mounting holes for the passenger floor board. PIC 1 and PIC 2

STEP 4 Place one of the supplied lock washers, then a supplied flat washer on two of the supplied socket head cap screws. Insert one of them through the forward hole in the Passenger Cruise Peg mount then through the forward hole in the floorboard mount. Repeat for the rearward hole with the second cap screw. Thread the forward cap screw into the forward mounting hole on the motorcycle first, then the rear fastener. Tighten securely. PIC 1 and PIC 2

STEP 5 Repeat steps 2 through 4 for left side.

STEP 6 Take the right foot peg (the wider portion of the Trident Dually peg faces towards the front of the motorcycle with the rubber pad up) and install it to the peg mount on the right Cruise Peg Mount using the 5/16" socket head cap screw that is in the center of the peg. Leave finger tight for now. Repeat for the left side. PIC 3

STEP 7 Lift the arm on the right Cruise Peg Mount. Install the one of the supplied 1/4"-28 x 5/8" set screws to the location shown, adjust arm to desired position by threading the set screw in further against mount to tip the end of the footpeg up, or out, to tip the end of the foot peg down. PIC 4 Adjust the foot peg to the desired foot position. Tighten the 5/16" socket head cap screw in the end of the footpeg securely. Repeat for left side.

NOTE: The set screw adjustment is used to adjust the arm and footpeg for passenger comfort.

WARNING THE FOLDING ARM IS INTENDED AS A FOOTREST AND IS NOT INTENDED TO BE USED FOR MOUNTING OR DISMOUNTING THE MOTORCYCLE OR TO SUPPORT THE FULL WEIGHT OF THE PASSENGER. MISUSE OF THE PASSENGER CRUISE PEG MOUNT MAY LEAD TO FAILURE OF THE MOUNT RESULTING IN SERIOUS INJURY OR DEATH.

NOTICE It is the installer's responsibility to ensure that all of the fasteners (including pre-assembled) are tightened before operation of the motorcycle. Küryakyn will not provide warranty coverage on products or components lost due to improper installation or lack of maintenance. Periodic inspection and maintenance are required on all fasteners.
