Adaptor Kit for R1200GS ONLY!

WARNING: Check operation of all handlebar controls, specifically the throttle, front brake, kill switch and clutch to ensure they are operating correctly and are in accordance with the OEM specifications. Do not ride the motorcycle if any controls are not operating correctly or if rear view mirror vision is obscured. Check periodically that all bolts are tight.

Disclaimer:

Rideworx inspects all products prior to packaging and strives toward improving its products. Our guarantee is limited to the replacement of defective products. This limited guarantee is in lieu of all other guarantees or warranties implied or expressed. Buyer assumes all risk for any and all damage caused to him/herself, a third party and/or property by virtue of failure of this product. We make no warranty as to products distributed by Rideworx, expressed or implied from our suppliers or third party vendors. This includes, without limitation, any warranties or merchantability and fitness for a particular purpose. All products are offered and designed for use with standard machines. Rideworx makes no claims as to the products effectiveness on modified machines. Rideworx is the sole determiner of abuse, misuse, installation errors and modifications. We assume no liability for any errors in listings, specifications, part numbers, prices or model applications. We reserve the right to change specifications, product descriptions, product quality, pricing and application at any time without notice and without further obligation. These handguards are not designed to prevent injury in the event of an accident or crash. Ensure all controls are free of the handguards each time you ride. Failure to follow the instructions or heed this warning could lead to loss of control of your motorcycle and/or accident, injury or death. By installing and/or using a Rideworx product, you hereby accept and understand these stated terms and conditions and have followed all instructional steps.
